

This site was published as a result of my experiences over the past 30+ years. This includes children, teens, and adults. During that time, I ran multiple children programs, adult Kiruv-Richokim classes, and some work in Kiruv-Krovim. My background is basically Chassidish but it includes Mussar and Kabalah. The Kabalah is mostly from Cahsidishe and Mussar siforim, Kav Hayosher and some Zohar.
